

MONTH	ACTIVITY	#ONedSsChat DETAILS	TIME
WEEK 1	Chat Questions Posted	<p>Questions used during #ONedSsChat are created by different classes each month and posted on the @ONedSsChat website.</p> <p>Common practice is for classes to answer the chat questions ahead of time using Google Docs, with a focus on learning a new form of writing, in consideration of a new, more global audience. Time during the chat is spent reading tweets, responding to others, and asking questions to further the conversation.</p>	Chat questions are posted the first week of every month and remain archived on the ONedSsChat.com website.
WEEK 2	K-12 Tweet and Talk	<p>Each month we invite #onted students to join our @ONedSsChat Student Leads as guest panelists for a short 20 minute <a href="#">Hangout on Air with YouTube Live <i>Tweet and Talk</i></a>. Students on panel discuss 3 chat questions, while K-12 students who are watching the YouTube Live <i>Tweet and Talk</i> to each other, and the students on panel. The remaining 40 minutes of the <i>Tweet and Talk</i> is for students to continue their conversations on Twitter.</p>	<p>60 minutes</p> <p>20 minute Hangout on Air with K-12 students watching &amp; tweeting + 40 minutes to continue the conversation</p>
